PROFILE OF THE COLLEGE

Deva Matha College, Kuravilangad, was founded on 3rd April 1964 under the inspiration of the Catholic Diocese of Palai managed by Major Archiepiscopal Marth Mariam Archdecon Pilgrim Church, Kuravilangad. The parish, Major Archiepiscopal Marth Mariam Archdecon Pilgrim Church, Kuravilangad, has etched her name in the academia of Kerala by establishing two High Schools and two L. P. Schools in the latter half of the 18th century and a Higher Secondary School in 1998. The former President of India, **Dr. K. R. Narayanan** and Chevalier **Dr. P. J. Thomas**, a renowned Economist in India did their schooling in these institutions. Deva Matha College, Kuravilangad is affiliated to Mahatma Gandhi University, Kottayam. It is recognized under section 2(f) and 12 B of the UGC Act 1956. The great visionaries, **H. E. Mar Sebastian Vayalil**, the then Bishop of the Diocese of Palai and **Rev. Fr. Paul Alappattu**, the then Vicar of St. Mary's Forane Church, Kuravilangad, who spearheaded the founding of the college, had in their minds the glorious task of dispelling darkness and spreading the light of true wisdom all round, irrespective of caste, creed, language or religion through the dissemination of knowledge and other skills that would mould the young generation into exemplary citizens well equipped to face the challenges of the times. True to its vision and mission, the college today has emerged as a knowledge hub and a leading centre of academic excellence, educating and transforming thousands of students who hail from a purely Agrarian-Rural background.

Situated in a rural milieu, in the heart of a minority community, the college aims at academic excellence in all spheres of learning, providing intellectual, moral, social, cultural and spiritual guidance to the young generation with a view to making them God-fearing, patriotic, altruistic and self-confident in life. The college is currently guided by the able leadership of **H. E. Bishop Mar Joseph Kallarangatt** as its **Patron**, **Arch Priest Very Rev. Dr. Augustine Koottiyaniyil** as its **Manager** and **Dr. Jojo K. Joseph** as its **Principal**.

Located (9.756, 76.564) beside the Major Archiepiscopal Marth Mariam Archdecon Pilgrim Church at Kuravilangad, in Kottayam District on a lush green eco-friendly campus of 12.5 acres/ 56585sq.mts, the college houses 10 Post Graduate Programmes and 12 Graduate Programmes. In 1981, the Post Graduate Programme in Commerce was started. P.G. Programme in English and Malayalam were inducted in 1998 and 1999 respectively. The Departments of Chemistry (2002), Botany (2004), Physics (2004) commenced Self-Financing PG programmes in the respective years. Self-Financing programmes M. Sc. Mathematics, B. A. Communicative English and B. Com. with Taxation programmes began in 2013. In 2014 the aided PG programme in Mathematics was started. All the departments offer UGC sponsored remedial enrichment programmes for weak students. Coaching for UGC/JRF/NET/Civil Service examinations is provided by all the P.G departments. The college offers training in GD, interview skills, personality development programmes and placement assistance through the **Career and Placement Cell**.

The college has distinguished itself in research and consultancy activities. Out of the 49 permanent teachers 23 hold Ph.D and 23 hold M.Phil. degrees and many are pursuing research towards Ph.D. In addition, four Ph.D holders and 5 M.Phil holders are serving in the self -financing Under Graduate & Post-Graduate Departments. Department of Malayalam became an approved Research Centre known as '**Nidhirickal Manikathanar Research Centre**' in 2004. Presently the department has 10 Research Guides. In 2013, the Department of English also became an approved Research Centre with three Research Guides. DEPARTMENT OF PHYSICS

E-mail: physicsdept@devamatha.ac.in

“If I have seen further, it is by standing on the shoulders of giants.”

- Isaac Newton, Letter to Robert Hooke, February 5, 1675

Department of Physics is one among the oldest departments of the college, existing right from its inception in 1964. The department has qualified faculty members and state-of-the art infrastructure and imparts quality programmes of undergraduate and post graduate level. The teachers of the department, who lead the way, built an enduring edifice for it by their hard work and dedicated service. The B.Sc Physics programme started in the year 1980. In 2004, M.Sc. Physics (self-financing) programme was started and in 2005, M.Sc. physics Lab, reconstructed & well-furnished, was blessed by the Bursar Rev. Fr. Johnson Pullettu. Both UG and PG programmes have excellent results in the University level. We attribute all our achievements to our veteran teachers who worked steadfastly for the welfare of this institution.

At present, department consists of four permanent teachers (in the UG level) and six guest faculty (in PG self-financing stream). The department has secured many ranks in the University Degree examination. Large number of our alumni have been successful in national level tests conducted by agencies like UGC. The department takes pride in guiding its students towards careers in Physics and also motivates promising students to take up research. It has been successful in imparting training to students with the aim of gaining admissions to premier institutions of national and international acclaim.

The department has gained infrastructural facilities to support research in the field of material science under various schemes of DST and UGC. The department also hosts national seminars as well as talks by eminent scientists and academicians for the benefit of the students. In the near future, we also aim to raise the department to a research centre.

ATTENDANCE AND LEAVE OF ABSENCE

Attendance will be marked at the beginning of each hour by the teacher engaging the class. Attendance will not be granted to students who report after 9.30 a. m. in the first hour.

If a student is absent for one hour it will be treated as absence for half a day, and if his absence is for two hours or more, it will be treated as absence for one full day. A student requiring leave for only a particular period may be granted such leave by the teacher concerned. Application for leave for more than one period must be submitted to the Principal in the prescribed form by 10 a.m. When absence is due to some unforeseen cause the application must be submitted as early as possible, and in no case, later than the first day of the student's return to the college.

Absence without prior request for leave from any examination or practical work will be reported by the teachers concerned to the Principal. Leave of absence from a term - examination should be obtained from the Principal. A student absenting himself without leave for more than ten consecutive days will have his/her name removed from the rolls, and he/she may be readmitted on payment of College dues, if any. Every application for leave shall be countersigned by the students guardian and recommended by the staff guide or the Head of the Department.

The minimum attendance prescribed by the University is 75% of the working days in the semester. Exemption from shortage of attendance (subject to a maximum of 10 days) can be granted by the Syndicate on recommendation by the Principal, provided leave has been applied for and granted for such absence on satisfactory grounds. Such condonation will be granted for such absence on satisfactory grounds, but only twice during a programme.
