AN INTRODUCTION TO

LANGUAGE &

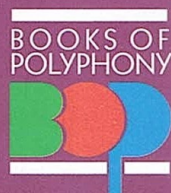

LINGUISTICS

As per the Vth Semester University of Kerala Syllabus

Ponnu Liz Malieckal, Deepa Thomas

This book provides a general introduction to the study of language and linguistics for undergraduate students.

It adheres to the Vth Semester of BA English programme offered by University of Kerala. Divided into four modules, it offers essential details of linguistics with clarity and precision. Each chapter is furnished with questions modelled on the question pattern of University of Kerala and two model question papers are provided at the end of the textbook.
