

## GREEN INITIATIVES

### Fallow Land Organic Paddy Cultivation in 2 acres.

The most important and prestigious activity of the year 2017-18 was the fallow land paddy cultivation that the NSS unit undertook in two acres. The paddy field had been laid barren for the last twenty years. NSS unit reclaimed the land and cultivated paddy with the assistance of agricultural department. The volunteers got a first-hand experience of paddy cultivation. From preparing the land to harvest, they witnessed various stages involved in the cultivation paddy. The College consider it a great achievement. The percentage of paddy cultivation is becoming less and less every year and the people of Kerala are depending more and more on other states for getting their staple food. NSS unit believe that the fallow land cultivation has given the students positive experiences and examples that would call their attention to this serious problem.

## Repairing the Check Dam for Irrigation

The check dam in Kuravilangad Valiyathodu, that had controlled the water supply to the field was in a dilapidated state. The NSS volunteers repaired the dam and made it useful for irrigation. The NSS unit was opened a sub-canal 200 meters long to take the water from the check dam to the paddy field.

## HARVESTING OF PADDY

The College had a huge harvest of 3000 kilograms of excellent rice. The students took sickles in their hands and had an experience of harvesting paddy. Farmers of the elder generation shared their experiences and demonstrated before the students the technical aspects of paddy harvesting. The whole event was covered and telecast by Mathrubhumi seeds. Mahatma Gandhi University Jaivam 2017 coordinator Sri. G. Sreekumar, Kanakkari Agricultural officer Smt. Mini Thampi, College manager Rev. Dr. Joseph Thadathil, local body authorities and local population were present apart from the Principal and the Programme Officers.

### A Brief Report of the Programme

The NSS unit of Deva Matha College in association with the local self government of Kuravilangad and the wholehearted support of the ward member of the adopted village Mr. Shyju Pavuthiyel campaigned for E- Waste collection as a key activity. The date and schedule of e-waste collection was published in newspapers well ahead of time. The Rotary Club chapter of Kuravilangad financially aided the collection drive. A small meeting was convened before the students started the collection of wastes from each house in Kuravilangad. Mr. P.C Kurian, Panchayath President, Mr. Shyju Pavuthiyel, Ward member and Programme officers addressed the students gave directions. The volunteers were divided into 20 groups of five members and given an average of 15 houses for e-waste collection. The drive, first of its kind in the Panchayath, received oodles of support and welcome from every households. The students passed around brochures on FAQs about e- waste management while visiting. By 12:30 pm the students completed the massive task by collecting a whopping 340 Kgs of electronic waste. The collected waste was handed over the next day to authorized e- waste management partners in Kottayam for further disposal.

കുറവിലങ്ങാട് പഞ്ചായത്ത് അഞ്ചാം വാർഡിൽ നിന്ന് ശേഖരിച്ച ഇലക്ട്രോണിക് മാലിന്യങ്ങളുമായി ദേവമാതാ കോളജ് എൻഐസ്എസ് വോളണ്ടിയർമാർ.

## Workshop on Making Eco-friendly Products

Academic year	: 2021- 2022
Date	: December 18, 2021
Organizing / Collaborating unit	: NSS & Social welfare society SH Convent Pala
The number of participants	: 50 volunteers of the first year batch.

### REPORT

Brochure of the programme

NSS unit Deva Matha College organized a one-day Workshop on Making Eco-friendly products that can find a solution to the Plastic menace on December 18, 2021. The programme was organized as part of Azadi Ka Amruth Mahotsav campaign and State Suchitva Mission campaign that aims at the ambitious project of Plastic free Village. The Social Service society of SH Convent Pala provided the service of Mrs. Soly Raju and Mrs. Jancy Jose in the workshop who trained the students in stitching cloth carry bags that be used in place of polythene bags. Former NSS Volunteers Akshay Ajay (III DC Malayalam), Aleena Michael ( III Dc Botany) and Anavadhy P.S ( III DC Zoology) provided hands on training in the making of paper carry bags from newspaper, door mats from old cloths, paper pens, handcrafts and bottle arts from waste materials. The workshop focused on the ideals of reuse, reduce, recycle and upcycle promoting an eco-friendly lifestyle.

# Model Campus Garden of Organic Vegetables & Agro-Fest

Academic year : 2021- 2022  
Date : November 1, 2021  
Organizing unit / Collaborating agency : NSS Unit & Agricultural Department-  
District Seed farm Kozha, Farmers' club  
from Adopted village  
Number of participants : 100

## REPORT

The NSS unit of DMC joined hands with the Agricultural department of Kerala, District Seed Farm Kozha to set up a model campus garden of organic vegetables on 1 November 2021. The Kozha district Seed farm supplied 50 grow bags with potting mix, organic manures and vegetable saplings to the NSS unit as part of the project. The senior most farmer of the adopted village of the college, Sri. Thomachan Naduvilakkunnil inaugurated the project by planting the first sapling.

The brochure features a dark background with a central green circle containing an image of a vegetable and a person wearing a face mask. Text in Malayalam and English is arranged around this central image. At the top, it identifies the program as 'Kerala State Government National Service Scheme' and 'Devarattil 1, 2021' at 'Kuzhalangadu'. It lists the location as 'Kozhikode, GROW Bag' and mentions 'Kerala State Government's initiative for organic farming'. It also states that the program is part of the 'National Service Scheme' and 'District Seed Farm Kozha'. At the bottom, it provides the date and time: 'November 1, 2021' and '10:00 am'. Logos of the National Service Scheme and the District Seed Farm Kozha are visible in the top corners.
