HELP IS HERE

Innovation and Entrepreneurship Development Centre (IEDC)
- An initiative of Kerala Startup Mission

IEDC is meant to create awareness, exposure and skills among students and to enable and promote an environment to create entrepreneurial ventures by developing innovative products of social relevance

Until recent times the graduating students had two choices: (a) Get into world of work (b) Pursue higher education

With the establishment of IEDC, a third option now emerges:

TO START A VENTURE

Objectives of IEDC

- To promote an innovation driven entrepreneurship culture among the students
- To motivate, support and mentor students for identification, development and commercialization of their innovative ideas
- To create a platform for the young brains to develop their skills and to give proper technological exposure
- To provide exposure to technology and entrepreneurship by providing Job opportunities and Internship in relevant Industry
- To provide Technology & Management Skill Training to the students and Faculties in building their innovative product or solution.

IEDC is providing financial and technical support to achieve above mentioned objectives

Become Job Providers , rather than Job Seekers

Deva Matha College has been selected to set up IEDC at our college. Student enrollment and activities are happening soon. **STAY TUNED...**
