Undertaking -

1. Certified that we have proposed the workload of aided courses only sanctioned by Government for the assessment of workload.
2. We have not adjusted the students who are admitted to seats under the category of marginal increase of seats against any vacancies in the affiliated (sanctioned) strength of students while calculating the students (As per provision (1) explanation (2))
3. We have divided the batches for the calculation of workload with the maximum permissible No. of students (75 for Part I & II for UG, 70 for Part III BA, 48 for Part III B.Sc, 18 for practicals.
4. We have clubbed together the batches of same subjects with common workload distribution with maximum number of students available under Part I English/Part II Language, Part III Subsidiaries/Complimentary as the case may be excluding marginal seats.
5. We have personally verified the workload of the department and satisfied the consistency factor stipulated under provision 7 (c) is maintained in case the workload of any papers of this Dept. are taught by teachers of another Dept.

1. Certified that we have proposed the workload of aided courses only sanctioned by Government for the assessment of workload.
 2. We have not adjusted the students who are admitted to seats under the category of marginal increase of seats against any vacancies in the affiliated (sanctioned) strength of students while calculating the strength of students (As per provision (1) explanation (2))
 3. we have divided the batches for the calculation of workload with the maximum permissible no. of students (75 for Part I & II for UG, 70 for Part III BA, 48 for Part III B.Sc, 18 for practicals.
 4. We have clubbed together the batches of same subjects with common workload distribution with maximum number of students available under Part I English/Part II Language, Part III Subsidiaries/Complimentary as the case may be excluding marginal seats.
- We have personally verified the workload of the department and satisfied the consistency factor stipulated under provision 7 (c) is maintained in case the workload of any papers of this Dept. are taught by teachers of another Dept.

1. Certified that we have proposed the workload of aided courses only sanctioned by the Government for the assessment of workload.
2. We have not adjusted the students who are admitted to seats under the category of marginal increase of seats against any vacancies in the affiliated (sanctioned) strength of students while calculating the strength of students (As per provision (1) explanation (2))
3. We have divided the batches for the calculation of workload with the maximum permissible no. of students (75 for Part I & II for UG, 70 for Part III BA, 48 for Part III B.Sc, 18 for practicals.
4. We have clubbed together the batches of same subjects with common workload distributed with maximum number of students available under Part I English/Part II Language, Part III Subsidiaries/Complimentary as the case may be excluding marginal seats.
5. We have personally verified the workload of the department and satisfied the consistency maintained under provision 7 (c) is maintained in case the workload of any papers in this Dept. are taught by teachers of another Dept.

1. Certified that we have proposed the workload of aided courses only sanctioned by Government for the assessment of workload.
2. We have not adjusted the students who are admitted under the category of marginal increase of seats against any vacancies in the affiliated (sanctioned) strength of students while calculating the strength of students (As per provision (1) explanation (2))
3. we have divided the batches for the calculation of workload with the maximum permissible no. of students (75 for Part I & II for UG, 70 for Part III BA, 48 for Part III B.Sc, 18 for practicals.
4. We have clubbed together the batches of same subjects with common workload distribution with maximum number of students available under Part I English/Part II Language, Part III Subsidiaries/Complimentary as the case may be excluding marginal seats.
5. We have personally verified the workload of the department and satisfied the consistency factor stipulated under provision 7 (c) is maintained in case the workload of any papers of this Dept. are taught by teachers of another Dept.
