Preface

The academic audit of various teaching departments of Deva Matha College Kuravilangad was conducted on 8-17, May, 2017 by the Audit Team. For the effectiveness of the academic audit, the audit team was separated for each criterion. This audit is not meant for making any suggestions or recommendations but to ensure the departments are keeping their files according to the parameters stipulated by the National Assessment and Accreditation Council. The departments have compiled required data in the Google sheets and documents are uploaded to the Google drive. Therefore, this audit was conducted based on the data available on Google sheets and corresponding supporting documents in the Google drive. The audit team also conducted a SWOC (Strengths, Weaknesses, Opportunities and Challenges) Analysis of various departments based on this audit and discussion with the respective Heads of the Departments.

The audit report along with SWOC of various departments is submitted to the college Principal on 17th of May 2018.

Observations

1. Demand ratio is good for various programmes.
2. Faculty participation in seminars and workshops are good in number.
3. The number of publications is impressive.
4. Teachers using ICT for teaching are good in number.
5. The number of seminars held is sufficient, but the number of workshops is limited.
6. The number of activities conducted is good, but photos of most of the programmes are missing.
7. Teachers are attending fewer refresher programs.
8. The number of Ph.D. degree holders is only adequate.
9. The number of certified and other add-on programmes is insufficient.
10. Students' enrollment in various certificate courses is less.
11. The numbers of students participating in field visits are not satisfactory.
12. The pass percentage of some departments is not good.
13. The college has no incubation center.
14. The number of extension and outreach programmes conducted is good.
15. Students participating in extension activities are plentiful.
16. The number of collaborative activities for research, faculty exchange, and student exchange is less.
17. Links with institutions and industries are more limited at the departmental level.
18. The number of capability enhancement schemes and programmes is good.
19. Some teachers' profiles are unfinished.

20. No department level feedback collection.
21. Extension activities claimed by some departments are not exactly extension activities.
22. The number of minor and major research projects in the institution is satisfactory.
23. Students' data regarding progression is not maintained properly.
24. Students' supporting documents went to higher education, and most departments' jobs are unfinished.
25. The number of placements is good in some departments.
26. The delay in the announcement of results from the university is the biggest challenge faced by the college.
