ACTION TAKEN REPORT ON FEEDBACK FROM TEACHERS

CRITERIA: CURRICULUM OF THE COLLEGE

DECISIONS TAKEN ON FEEDBACK ON CURRICULUM FROM TEACHERS

- Curriculum of the programmes for both UG and PG are to be modified and action should be taken for curriculum revision by MGU
- Modifications are to be made in the curriculum in order to satisfy the objectives of the courses.
- Time bound completion of syllabus is found to be impossible in some special occasions when unexpected holidays due to natural calamities such as heavy rain, flood etc.
- Enrichment of the reference materials with new books is required.
- Modification on curriculum for more employability is required. Modification is not possible in the College level and so additional courses with more employability should be started in the college level.

SUBSEQUENT IMPLEMENTATION OF THE DECISIONS

- Teachers who are University Board Members are directed to suggest modifications in the curriculum during University Board meetings. PG curriculum has been revised by MGU in 2019 and modifications in various courses of UG programme has been implemented from 2019.
- Steps taken to conduct special classes on holidays and also during morning and evening, in order to meet lost classes due to various reasons.
- Purchased new books from all disciplines in the central library in view of the demand from teachers.
- Since modification of the curriculum in the college level is not possible, several job oriented add-on courses was started in each department.
- Finishing school programme, Bank test coaching etc. were conducted by placement cell of the college.
