32 responses

1. Is the Curriculum of the programmes suitable?

53 responses

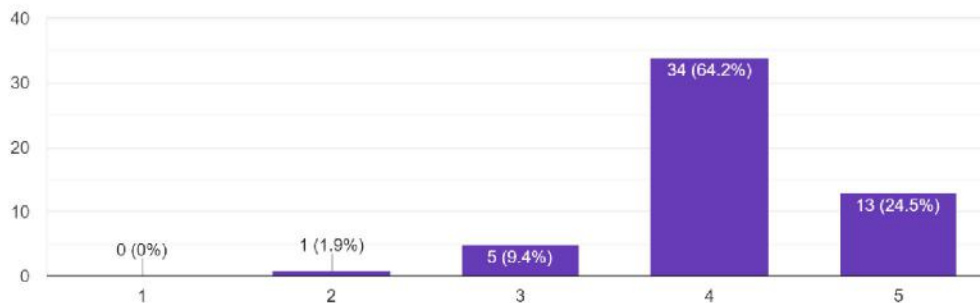

2. Are the Aims and objectives of the courses well defined?

53 responses

3. To what extent the course objectives/outcomes be achieved?

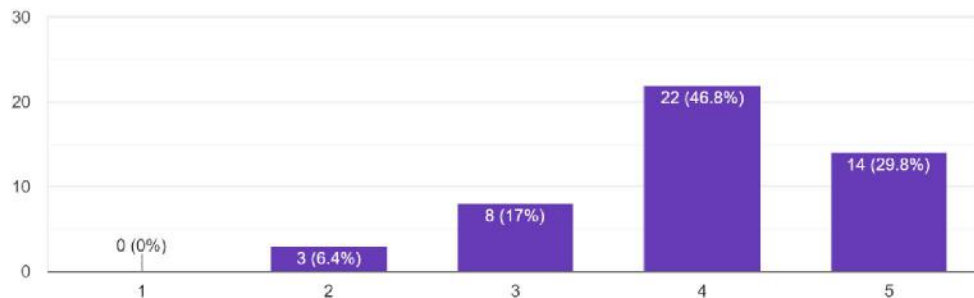

53 responses

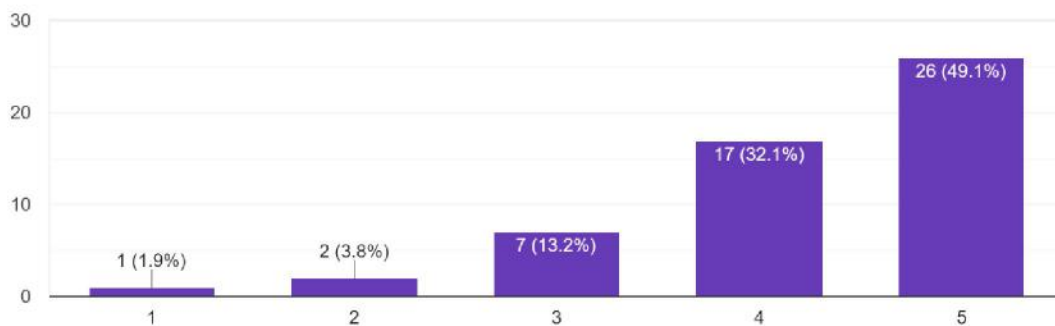

4. Is the practical/lab training suitable for the programme/course?

47 responses

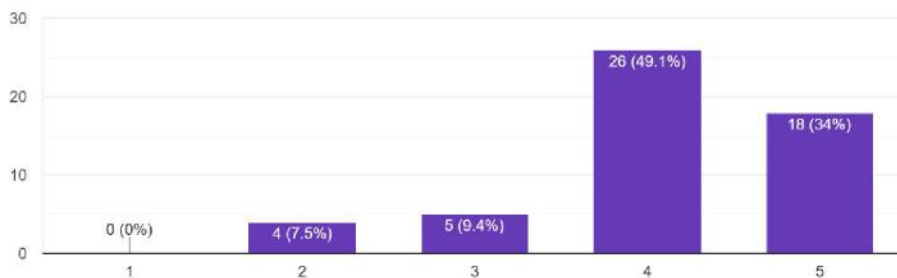

5. Can the syllabus be covered on time

53 responses

6. Is the internal and external evaluation methods suitable for evaluating the students?

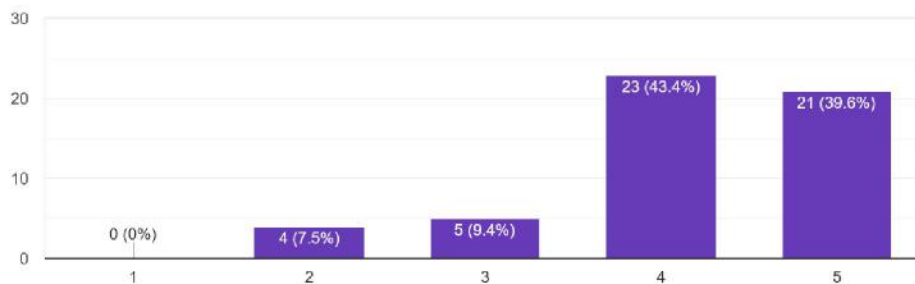

53 responses

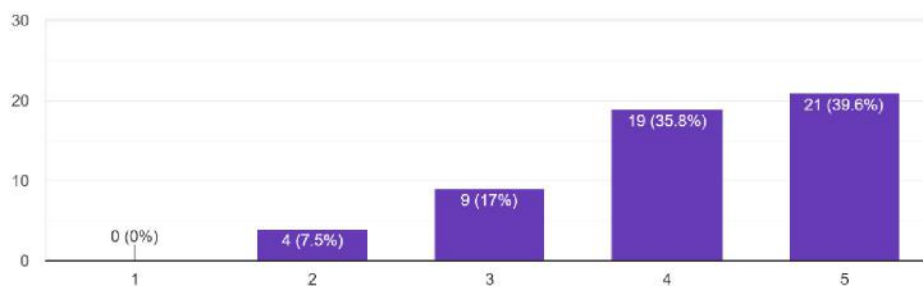

7. Whether Sufficient number of prescribed books and reference materials are available to students

53 responses

8. Whether the curriculum has prospects for higher education/employability

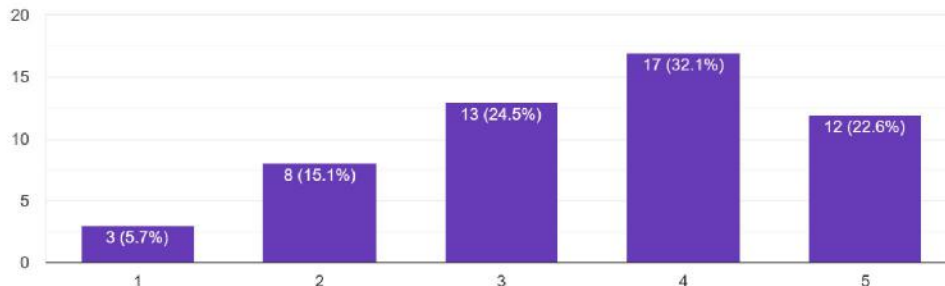

53 responses

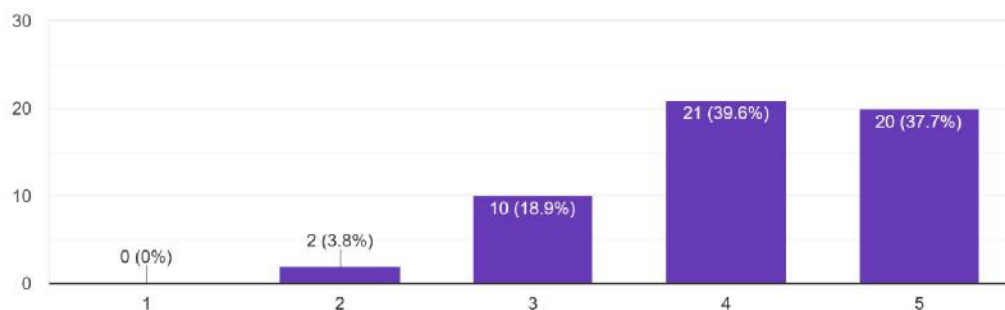

9.Does the curriculum have scope for internship/training

53 responses

10.Does the curriculum have scope for higher education/placement/Research

53 responses

Feedback Analysis

Curriculum survey from teachers shows the satisfaction of teachers in the present curriculum for undergraduate as well as postgraduate courses. Even Though modifications are to be made in the curriculum in order to satisfy the objectives of the Courses. Curriculum of the programmes for both UG and PG are to be modified and action should be taken for curriculum revision by MGU.
