SECURITY ANALYSIS & PORTFOLIO MANAGEMENT

ANISH THOMAS & JITHIN JOY

The aim of this text book is to give post graduate commerce students an overall idea about Security Analysis & Portfolio Management in a simple and lucid manner. This book is not just for the M.Com students but for anyone who is interested in learning the art and science of investment management. The materials that have gone into the making of the book have been carefully prepared, comprehensively narrated, with adequate and appropriate examples to make teaching and learning this subject a joyful experience.

About the Authors

Anish Thomas is Assistant Professor in the P.G. Department of Commerce, Deva Matha College, Kuravilangad, Kottayam. He is a rank holder of Mahatma Gandhi University. Mr. Anish started his career as a lecturer in Marian College, Kuttikkanam. He has co-authored nine books.

Jithin Joy is currently working as an Assistant Professor on contract in the P.G. Department of Commerce, Deva Matha College, Kuravilangad, Kottayam and also perusing a post-graduation in Personnel Management and Industrial Relations. He has qualified U.G.C NET in June 2013. He has presented many papers in national and international seminars.
