12. <u>MENTORING & TUTORIAL</u>

Deva Matha college has a unified mentoring system which is followed by all the departments. Twenty to thirty students are assigned to each permanent/full time faculty who helps them in their transition from school to college life, guide them to set goals for future and share/discuss their ideas and thoughts. Mentoring program has helped to identify and promote talents of students and to provide insight regarding continuous learning process and career opportunities. Attention and supervision of a caring adult has helped in guiding our students towards being more socially responsible and principled. With proper motivation under mentoring system more students have put aside their inhibitions and opted for summer projects, internships and attended competitive examinations.

18. LIST OF STUDENTS QUALIFIED DIFFERENT COMPETITIVE EXAMS

Studen	Students benefited by guidance for competitive examinations and career counselling offered by the institution during the year						
Year	Name of the scheme	Number of benefited students for competitive examination	Number of benefited students by career counselling activities	Number of students who have passed in the comp. exam	Number of students placed		
2017	NET and SET Coaching	153	0	17	0		
2017	Finishing School	0	45	0	27		

19. ACHIEVEMENTS AND ACTIVITIES- NSS

The NSS Units of Deva Matha College actively participate in the personality formation of the students. It engages students with various programmes and activities which make them responsible civilians of our country. This year NSS unit invested their efforts in paddy field cultivation and it harvested a fruitful result.

20. ACHIEVEMENTS AND ACTIVITIES- NCC

The NCC aims at developing character, comradeship, discipline, secular outlook and capacity for leadership in young men and women and stimulating their interest in the defence of the country. "UNITY and DISCIPLINE" is the motto of this Youth Organisation. NCC offers its cadets, the opportunity to associate with the cadets from the entire country. They get the chances to attend camps like ATC, Tal Sainik Camp (TSC), Republic Day Camp (RDC), National Integration Camps(NIC), Army Attachment

Camps, and All India Trekking, Mountaineering and Paragliding Courses. Major Activities of NCC at Deva Matha College are -Participation in National Celebrations such as Independence and Republic Day Parades National Camps, Participation in various movements of National Importance such as Swatch Bharat, Blood Donor's forum Anti - Drug Awareness, Disaster Management Awareness, Orphanage visit and rehabilitation A well-groomed NCC cadet will be a true Indian by all means of life and being a cadet will be surely an exciting experience for all defence aspirants.

Major Outreach Programmes

URJAKIRAN RALLY – Awareness Campaign in National Energy Conservation Day 14 Dec 2017

* Hair Donation and Cancer Awareness 11 Dec 2017

* Aids Awareness program was conducted on 4 th December 2017.

- Rain water harvesting system. College has constructed a rain water harvesting tank (4 lakhs litre capacity) during the current year to preserve water for usage at time of water scarcity

31. <u>BEST PRACTICESBESTPRACTICE 1</u>

TitleRediscovering Oneself through Yoga

- **Objectives** 1. To enable the students to have good health
 - 2. To possess emotionalist ability.
 - 3. To attain higher level of consciousness

The Context Youth face constant pressure to excel at studies, get a job, manage relationships, and deal with numerous other problems. Yoga brings together physical and mental disciplines and also helps to achieve a peaceful body and mind; it helps to manage stress and anxiety and keeps them relaxing. It also helps in increasing flexibility, muscle strength and body tone

The Practice: -One of the best practices of Deva Matha College is training our students in practicing Yoga and spreading the advantages of yoga in the society by preparing and giving opportunity to students to practice and teach holistic yoga. Regular practice of

yoga is conducted in the college during evenings and trained faculty guide the students in practicing the same. Training programmes are conducted and faculty and students acts as resource persons in these programs.

2. Evidences of Success:- The college has also regularly bagging prizes in university level yoga championships. Demonstrated Yoga on 19th June 2017 at Deva Matha College Auditorium as part of the celebration of International yoga day conducted by the Nehru Yuva Jana Kendra, Kottayam under the Ministry of Youth Affairs and Sports under the auspicious of Deva Matha yoga centre. Deva Matha college yoga centre conducted yoga training at Railway conference hall, railway station Kottayam for the railway employees .About 20 employees participated in the program .Deva Matha college yoga centre conducted yoga training at DB college on 18/06/2017, Thalayolaparambu. This was led by Ass. Prof Dr. Jobin Jose, Prof. Sathees Thomas.Classes were taken by our students and about 60students participated in the program.

A regular and systematic practice led the team

Objectives

- 1. To give giving hands one experience to students in organic farming.
- To understand the importance of conserving environment and natural resources, re- establishing ecological balance, need sustainable agriculture, conservation of flora and fauna.
- **The Context:-** Today's youth is not familiar with agriculture and its ways. We are dependent on other states for agricultural crops. More over the contamination of food by over use of fertilizers and pesticides. This program is to make the youth of the college aware of this problems and to make them have healthy food practices
- **The Practice:** Our students under the auspices of NSS undertook vegetable cultivation in the campus in organic way. We had a very good harvest. Only organic manure like cow dung and jeevaamrutham, and organic pesticides like née moil were used for the cultivation.
- The most important and prestigious activity of the year was the fallow land paddy cultivation that the college undertook in two acres. The paddy field had been laid barren for the last twenty years. We reclaimed the land and cultivated paddy with the assistance of agricultural department. Our students got a first-hand experience of paddy cultivation. From preparing the land to harvest, they witnessed various stages involved in the cultivation of paddy. The percentage of paddy cultivation is becoming less and less every year and the people of Kerala are depending more and more on other states for getting their staple food. We believe that our fallow land cultivation has given our students positive experiences and examples that would help them in their lives.

Evidences of Success:-The college won Jaiva Kalalaya Puraskaram (Award for Best College Practicing Organic Farming) for the academic year 2017-18.

Certificate of Appreciation to the college issued by All Kerala Society for Organic Farming

Co

Celebrating the harvest of hard work.....
