Mentoring

The major purpose of Mentoring is listening, as it is the key to an effective communication. Lack of listening leads to breaks in communication, making the person on the other end frustrated. Effective listening is a skill that underpins all positive human relationships. Moreover, in this modern world, people are busy, making individuals all alone and sharing their feelings impossible. So, in that sense also listening, the feeling of someone is there to hear me, is precious. As by-products, mentoring includes encouraging, sharing experiences, giving help, advice and guidance to mentees and pointing them to other sources of support or referral. A well-structured Three Tier Mentoring System is following in Deva Matha College Kuravilangad. At the base level, one faculty is allotted as mentor to a group of students (mentees). In our system, mentors perform different functions that are beneficial to the mentees. At the middle level, Heads of the Departments play a vital role in the mentoring system by monitoring the progress in its processing. At the top level, IQAC acts as a tool to streamline and monitor the mentoring activity in various departments. On the basis of feedback from mentors, the Mentoring Co-ordinator in consultation with IQAC, offers support of external expert to needy mentees. The college is responsible for providing training, advice and on-going guidance to the mentors.

Student Support and Progression

The college has an active student support mechanism equipped to provide financial, academic and emotional support. Financial help in the form of scholarships and free ships, both from government sources and non-government sources has been awarded to students during the period. Alumni, well-wishers, PTA and the college management also provide financial assistance to students. Academic support is maintained through effective mentoring and programmes like WWS and SSP which ensure constant student support. The college has a regular mechanism for **students' counselling** through teacher mentors and certified professional. The institution has various clubs and subject associations which organize skills enhancement and capacity building sessions. **Career Guidance Forum** arranges sessions related to careers, higher education options and training for competitive examinations. The college has a very transparent mechanism for **Grievance redressal** and has established all statutory committees like Anti Ragging Cell and Squad, Grievance Redressal Cell, Internal Complaints Committee for Sexual Harassment, Internal Complaints Committee for the disabled, Gender Justice Forum and Equal Opportunity Forum. **Students' progression** is well monitored and the percentage of students progressing to higher education is around 60 % on an average for Undergraduate Programmes. Campus placement drives and job fairs are organized. Student Participation in activities is very high and vibrant with diverse clubs and subject associations that offer a platform for skill development and nurturing of talents. Students have been the recipients of several prizes and achievements at the National/ State Level **art, cultural and sports competitions**. Annual Athletic meet and arts fest are held regularly.

'Walk with the Scholar' Programme

The College also conducts 'Walk with the Scholar' Programme which is intended for the fast learners and the

'Scholar Support Programme' which caters to the needs of the slow learners. Special mentoring is provided under these programmes. Again, with the aim of bringing every student a step ahead, remedial classes are also arranged by the teachers. The knowledge base acquired by the fast learner is made use of, by engaging them in peer teaching sessions either for their co-students or students of lower classes.

Achievements & Activities – NSS

NSS has been functioning in the realm of higher education with the motto “Not me, But you” since 1969. The overall objective of NSS is personality development through social service. It is a cradle for leadership training and group dynamics. It also works to promote respect for labour, Discipline, Gandhian principles, National integration and work culture. Two NSS units are currently active in our college. Joining NSS is an assurance for success and personality development for every student. Due weight is also given to NSS volunteers for future studies and job placements.

Best Practices

Best Practice 1: Fostering Talent Diversity

Objectives:

1. Discover and nurture student talents.
2. Provide comprehensive guidance and support.
3. Offer platforms for students to showcase their diverse skills.

Context:

The college is committed to identifying and developing student talents, ensuring equal opportunities for all, regardless of socio-economic backgrounds.

Key Practices:

- **Mentorship & Skill Development:** Workshops, mentorship programs, and resource access.
- **Student Clubs:**
 - Quiz Club
 - Oratory Club

- Folklore Club
- Music Club
- **Cultural Events:** Annual 'LATHIKAM' Cultural Extravaganza.

Evidence of Success:

- Increased student participation.
- Improved academic and co-curricular achievements.
- Positive feedback from students and faculty.

This structured approach ensures talent recognition, skill enhancement, and holistic student growth.

Best Practice 2: Embracing Uniqueness – Commitment to Inclusivity for Divyangjan

Objectives:

1. Provide comprehensive support for **Divyangjan students** to ensure academic success and holistic development.

2. Foster an **inclusive environment** that promotes equal opportunities.

Context:

The college is a **beacon of inclusivity**, dedicated to empowering **Divyangjan (differently-abled) individuals** and advancing societal progress through equitable education.

Key Initiatives:

- **Cell for Differently Abled Persons:** Dedicated support system for academic and personal guidance.
- **'Daisy Books Corner':** Special resources for **visually challenged students**.
- **Infrastructure Enhancements:** Barrier-free access, assistive technologies, and inclusive policies.

Evidence of Success:

- **Increased participation and academic achievements** among Divyangjan students.
- **Positive feedback** from students, faculty, and stakeholders.

Challenges Faced:

- **Limited resources** for expanded support.
- **Need for greater awareness** within the college community.

This initiative reflects the college's dedication to **accessibility, equality, and empowerment** for all students.
