## PROFILE OF THE COLLEGE

Deva Matha College, Kuravilangad, was founded on 3<sup>rd</sup> April 1964 under the inspiration of the Catholic Diocese of Palai by St. Mary's Forane Church, Kuravilangad. The parish, St. Mary's Forane Church, Kuravilangad, has etched her name in the academia of Kerala by establishing two High Schools and two LP schools in the latter half of the 18<sup>th</sup> century and a Higher Secondary School in 1998. The former President of India, **Dr. K.R. Narayanan** and Chevalier **Dr. P.J. Thomas**, a renowned Economist in India did their schooling in these institutions. Deva Matha College, Kuravilangad is Affiliated to Mahatma Gandhi University, Kottayam, it is recognized under section 2(f) and 12 B of the UGC Act 1956. The great visionaries, **H.E.Mar Sebastian Vayalil**, the then Bishop of the Diocese of Palai and **Rev. Fr. Paul Alappattu**, the then Vicar of St. Mary's Forane Church, Kuravilangad, who spearheaded the founding of the college, had in their minds the glorious task of dispelling darkness and spreading the light of true wisdom all round, irrespective of caste, creed, language or religion through the dissemination of knowledge and other skills that would mould the young generation into exemplary citizens well equipped to face the challenges of the times. True to its vision and mission, the college today has emerged as a knowledge hub and a leading centre of academic excellence, educating and transforming thousands of students who hail from a purely **Agrarian, Rural** background.

Situated in a rural milieu, in the heart of a minority community, the college aims at academic excellence in all spheres of learning, providing intellectual, moral, social, cultural and spiritual guidance to the young generation with a view to making them God-fearing, patriotic, altruistic and self-confident in life. The college is currently guided by the able leadership of **H.E. Bishop Dr. Joseph Kallarangattu as its patron, Very Rev. Dr. Joseph Thadathil as its Manager and Dr. Philip John as its Principal.**

Located at Kuravilangad, in Kottayam District on a lush green eco-friendly campus of 12.5 acres/ 56585sq.mts, the college houses 9 Post-Graduate Departments and 13 Graduate Departments. In 1981, the Post Graduate Course in Commerce

was started. P.G courses in English and Malayalam were inducted in 1998 and 1999 respectively. In respective years, Departments of Chemistry (2002), Botany (2004), Physics (2004) started self-financing PG programmes. 3 self-financing courses, M. Sc. Mathematics, B. A. Communicative English and B. Com. with Taxation courses began in 2013. In 2014 PG course in Mathematics was started. The College conducts 3 UGC aided ADD-ON Courses and 7 job-oriented certificate courses. All the departments offer UGC sponsored remedial enrichment programmes for weak students. Coaching for UGC/JRF/NET/Civil Service examinations is provided by all the P.G. departments. The college offers training in GD, interview skills, personality development programmes and placement assistance through the **Career and Placement Cell** of our College.

The college has distinguished itself in research and consultancy activities. Out of the 57 permanent teachers 21 hold Ph.D and 20 hold M.Phil. degrees and many are pursuing research towards Ph.D. In addition, four Ph.D holders and 5 M.Phil holders are serving in the self -financing Under Graduate & Post-Graduate Departments. It is worth highlighting that **99%** of our students come from rural, agrarian backgrounds. Department of Malayalam became an approved Research Centre known as '**Nidhirickal Manikathanar Research Centre**' in 2004. Presently the department has six Research Guides. In 2013, the Department of English also became an approved Research Centre with three Research Guides. Presently, 36 Research Scholars are carrying out research in the Research Departments of Malayalam and English. Over the years, when rank system existed, the college has bagged 56 University Ranks, several distinctions (80% & above), numerous first classes (60% & above) and the pass percentage in UG and PG is not less than 90 percent throughout. In 2013 the science departments received DST-FIST grant to the tune of Rs. 70 lakhs.

The college was first accredited by NAAC in 2000 with Three Stars and in 2011 re-accredited with "**A**" Grade, and is an **ISO 9001-2008 certified First Grade Aided Minority College**.

*“If I have seen further, it is by standing on the shoulders of giants.”*

*- Isaac Newton, Letter to Robert Hooke, February 5, 1675*

Department of Physics is one among the oldest departments of the college, existing right from its inception in 1964. The department has qualified faculty members and state-of-the art infrastructure and imparts quality programmes of undergraduate and post graduate level. The teachers of the department, who lead the way, built an enduring edifice for it by their hard work and dedicated service. The B.Sc Physics course started in the year 1980. In 2004, M.Sc. Physics (self-financing) course was started and in 2005, M.Sc. physics Lab, reconstructed & well-furnished, was blessed by the Bursar Rev. Fr. Johnson Pullettu. Both UG and PG courses has excellent results in the University level. We attribute all our achievements to our veteran teachers who worked steadfastly for the welfare of this institution.

At present, department consists of four permanent teachers (in the UG level) and six guest faculty (in PG self-financing stream. The department has secured six

ranks in the University Degree examination. Large number of our alumni has been successful in national level tests conducted by agencies like UGC. The department takes pride in guiding its students towards careers in Physics and also motivates promising students to take up research. It has been successful in imparting training to students with the aim of gaining admissions to premiere institutions of national and international acclaim.

In the last two years, the department has gained infrastructural facilities to support research in the field of material science under various schemes of DST and UGC. The department also hosts national seminars as well as talks by eminent scientists and academicians for the benefit of the students. In the near future, we also aim to raise the department to a research Centre.
