Oratory club is a popular club in the College. It was started in the year 1968. Prof. K. M Chacko was the founder of this club. The club provides training to the students in effective communication and leadership and also inculcates the habit of reading. Discussion, debates and speech practice sessions are regularly conducted for the benefit of the members. Students are given training in public speaking by providing a platform to address the audience with confidence. Group discussions and brainstorming sessions are held to explore ideas, exchange information and to help students to gain interpersonal skills.
