Brief Report

As part of World Environment Day Celebrations, P.G Department of Commerce in Association with SESREC & UBA Cell of Deva Matha College organized an exhibition named SCRAP TO CRAFT – Conversion of waste materials into useful products on June 1, 2022. Hand Made crafts made from waste and scrap materials were displayed in the exhibition. The process of constructing each project was explained to the students, who gained knowledge about how to reuse and be creative with the waste and scrap materials we discard. There were 63 participants in the exhibition.
