## Organic Vegetable Cultivation on the Campus

Academic year	: 2017-18
Date(s) on which program was conducted	: 2017-18 (Year-long Programme)
Organizing unit / Collaborating agency	: NSS Unit & Mahatma Gandhi University
Beneficiaries	: Students & Faculty

### Brief Report

Our unit undertook vegetable cultivation on the campus in an organic way. We had an excellent harvest. Only organic manure like cow dung and Jeevaamrutham, and organic pesticides like neem oil were used for the cultivation.

Organic vegetable garden & its harvest

## Fallow Land Organic Paddy Cultivation on 2 acres

Academic year	: 2017-18
Date(s) on which program was conducted	: 2017-18 (Year-long Programme)
Organizing unit / Collaborating agency	: NSS Unit & Mahatma Gandhi University
Beneficiaries	: Students & Faculty

### Brief Report

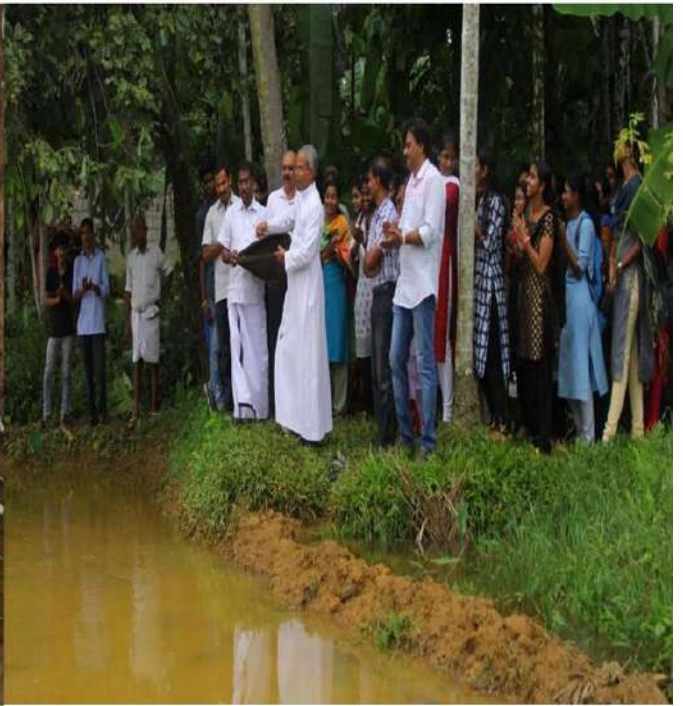

The year's most important and prestigious activity was the fallow land paddy cultivation the unit undertook on two acres. The paddy field had been laid barren for the last twenty years. We reclaimed the land and cultivated paddy with the assistance of the agricultural department. Our volunteers got a first-hand experience with paddy cultivation. From preparing the land to harvest, they witnessed various stages involved in the cultivation of paddy. We consider it an outstanding achievement. The percentage of paddy cultivation is becoming less and less every year, and the people of Kerala depend more and more on other states for their staple food. We believe that our fallow land cultivation has given our students positive experiences and examples that would call their attention to this serious problem.

Preparing land for cultivation

Sowing Seeds on 1 November 2017. The Manger of the college, Rev. Dr. Joseph Thadathil inaugurated & students sowed in fallow land

Various stages of cultivation

The harvest was on 27 February 2018. We had a huge harvest of 3000 kilograms of excellent rice. The students took sickles in their hands and had an experience of harvesting paddy. Farmers of the elder generation shared their experiences and demonstrated before the students the technical aspects of paddy harvesting. The whole event was covered and telecasted by Mathrubhumi News. Mahatma Gandhi University Jaivam 2017 coordinator Sri. G. Sreekumar, Kanakkari Agricultural officer Smt. Mini Thampi, College manager Rev. Dr. Joseph Thadathil, local body authorities and the local population were present apart from the principal and the programme officers.

Harvest on 27 February 2018

E-mail: dssspalai@gmail.com
- Mr. Bijesh P Biju, Co-ordinator of Suchitwa Mission, Kuravilangad Grama Panchayath  
E-mail: kuravilangadgpktn@gmail.com

The number of students participated in the program : 70

### Brief Report

The Student Training for Entrepreneurship Development and Community Intervention was formally inaugurated on November 26, 2021, at 3 p.m. in the college's Multimedia Hall. Principal, Dr. Sunil C Mathew inaugurated the event. Dr. Biju S, Director of the Department of Student Services (DSS) of Mahatma Gandhi University gave felicitations.

Inauguration of the training programme.

Due to University exams and Covid spread the programme could not be carried out at the beginning of December as planned. But the three-day training programme could be successfully carried out during 27-29 December 2021. A total of 70 students participated in the theory and practical training programme.

### **27 December 2021 - Training on LED Bulb Assembling**

The first day of training was on LED bulb assembling. Sri Jincemon Cyriac led the session, and Mr Philip Baby gave technical assistance. The training was carried out in the Physics lab of the college.

Hands on training on LED bulb assembly

### **28 December 2021 – Practical Training on Mushroom Cultivation**

The second-day sessions were on mushroom cultivation. Ms. Sreekkutty Sreedharan, assistant professor of Botany was the resource person for the event. The basics of the process were explained in detail, followed by demonstration and practical training.

Students involved in the training of mushroom cultivation

Students involved in the training of mushroom cultivation

### 29 December 2021 – Training on Cloth bag making

The forenoon session of the third day (29/12/21) was on cloth bag making. Resource persons were from the Pala Social Service Society. Initially, the students have given a theory session on the topic ‘Go Green’, followed by a practical session where students learned to stitch cloth bags.

Students involved in the training of cloth bag making

## 29 December 2021 – Training on Waste Management

The afternoon session of the day was on waste management where demonstration of making a waste management unit indigenously was demonstrated to the students. Mr. Bijesh P Biju, Co-ordinator of Suchitwa Mission, Kuravilangad Grama Panchayath led the practical session.
