RECYCLING COMPETITION

Wonders From Waste

"Reduce Reuse Recycle"

Recycling takes a little effort on your part
but make a big difference to the world

Recycling turns things into other things
which is like magic

Contest is open to all students of Devamatha College
(PG and UG students)

Participants must bring their recycled
product on August 2 Tuesday

Wonders From Waste

Recycling Competition

A Contest conducted as part of
celebrating World Nature
Conservation Day

**Recycle today
for a better tommorow**

Be innovative . Learn more about recycling and
proper waste management.

Make creative art and craft products and other
usable products out of used non degradable
waste materials and thereby help in conserving
our nature
