1921: A 3 - Day National e-Conference A Centenary Commemoration of a Fabulous-Fourteen

Date: 2021 September 28, 29, 30

Looking back across a hundred years, the year 1921 radiates a unique halo, specifically with regard to the sports-literary-cultural icons born in that year. Arguably, these Centum-Siblings went on to make indelible imprints as their lives unfolded in the cradle of the 20th Century.

This National e-Conference is a commemoration that seeks to remind one and all that beyond the rubric of a celebration one can indeed refresh one's acquaintance with a 'fabulous-fourteen' whom we can still bank on as 'Resources of Hope', even now; in the 21st Year of the 21st Century. Join us to honour the memory of a fabulous year – 1921.
